Overall, how do you feel about the draft design for the community and sports centre

"The design looks incredible thank you"

"The draft design appears well laid-out, multi-purpose and modern"

"Thank you for taking the time to consult the community"

"It would be fantastic to have a gym where the public can buy memberships and utilise it and a space for group fitness classes indoors"

"I love the black and white colouring and modern look - very practical layout and can't wait to have a community centre so close to home!"

"Please look at expanding the town centre"

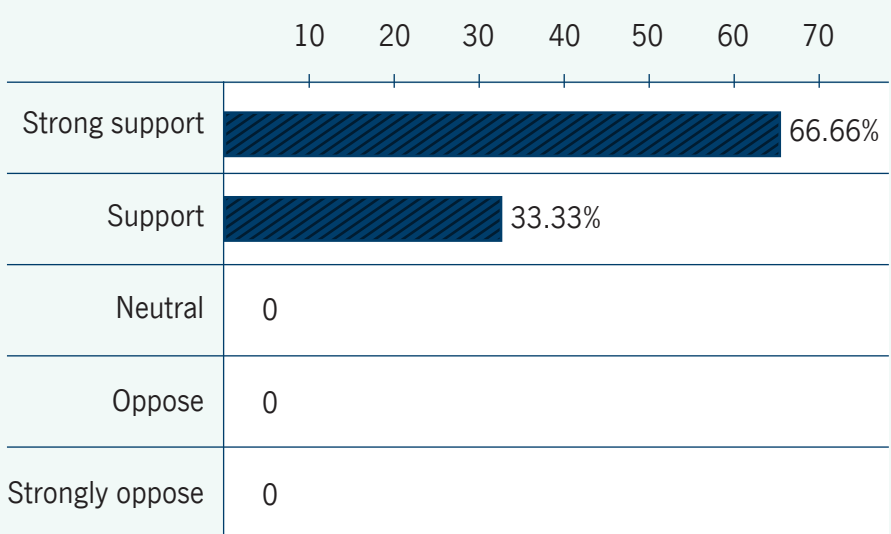

"Having it is good, but it will be so under-utilised and become such a waste of space! I think there needs to be more shops, cafe n things at the town centre before having a recreation centre "

"Looks beautiful. Excellent design"

"Badminton courts would be useful"
